## JORDANA EDWARDS CLEAN TEA

[www.cleantea.com.au](http://www.cleantea.com.au)

What an amazing production Mem and her team created for my brand. Truly capturing my journey in business, my heart, souls and passion for what I do is reflected in this film. Mem's ability to extract my story shows with the ease and comfort I had on the day, her team captured my story perfectly. I highly recommend Mem and her team to make a video for your brand.
